

PROFILE

I am I am from London. I have a Master of Pharmacy (MPharm) degree from the prestigious University of Birmingham. I studied abroad at Korea University in 2023 where I completed the Korean Language Programme Level 2. I am currently TOPIK Level 3 at Korean.

I am an enthusiastic, creative and hard-working individual. I have worked as a trainee pharmacist. I have experience teaching English as a foreign language from teaching on online platforms including Preply and Native Camp. I have experience working with children from volunteering at a nursery where I did storytelling and taught the children nursery rhymes.

I am currently enrolled on a 120-hour TEFL course.
