Expected Graduation June 2025

GPA: 3.58/4.0

RELATED COURSEWORK: Developmental Psychology- PSCH 320, Learning and Instruction- EPSY 210, Psychology of Interviewing- PSCH 381, Psychology of Women and Gender- PSCH 315, Sociology of Childhood and Youth- SOC 215

EXPERIENCE

University of Illinois Chicago (UIC), Chicago, IL 08/2021- Present

Psychology of Interviewing 08/2023-12/2023

- Educated on proper interviewing prep and etiquette as well as implementation.
- Learned about proper boundaries to set and respect between the interviewer and interviewee.
- Constructed questionnaires for simulated interviews throughout the course.
- Constructed a questionnaire and interviewed a working professional in forensic psychology to gain experience and practice and address any possible inquiries regarding the work field.

Psychology of Women and Gender 08/2023-12/2023

- Analyzed and discussed multiple topics regarding gender, women, and how different aspects of their intersectionality can affect time within society.
- Tasked with writing critical essays that broke down and challenged media accessed throughout the course.
- Construct projects that included visual aids, infographics, and other forms of media to present information learned to the public simply and understandably through websites like Canva and Prezi.

Sociology of Childhood and Youth 01/2023-05/2023

- Explored and discussed intersectionality and how different parts affect a child's development and understanding of the world around them, and what society expects of them.
- Weekly dissection of assigned readings through a critical analysis essay to prep for class discussion.
- Learned about the importance of the social building blocks of a person's identity and how personal and social features affect and interact with one another.
- Give a final group presentation, which consists of an analysis of a topic and assigned readings, followed by a Q&A about the issues and conclusions presented.

Race, Class, and Gender 08/2024-12/2024

- Learned about the different experiences of individuals with disabilities in a personal and social manner.
- Acquire knowledge about the proper manner to address and interact with individuals who might have a disability, whether visible or invisible.
- Complete short writing assignments that require reflection on the text and material covered, one's experience with the topic discussed, and what one views within society.
- Study and reflect on the intersectionality of people with disabilities.
- Discuss weekly material with classmates and reflect on understanding through weekly quizzes.

Intro Study of Lang Gen Ed 08/2024 – 12/2024

- Acquired knowledge of the English IPA Language and how to use it to break down language through phonemes.
- Learned the difference between phonemes and allophones and how to construct narrow and broadly.
- Explored syntax rules.

- Learned and explored the differences between spoken and written language.
