Availability: Immediate (May 2026)

Target Role: English Language Instructor (Korea)

UK English teacher with an MA TESOL with Distinction, CELTA, and over three years of teaching experience in South Korea. Experienced in delivering structured, engaging English lessons with a focus on speaking confidence, pronunciation, fluency, and learner participation. Presenter at the Korea TESOL International Conference in 2025 and 2026, with a strong interest in research-informed, communicative language teaching.

TEACHING EXPERIENCE

- Taught kindergarten and elementary aged students in English language classes.
- **Contract ended due to organisational restructuring.**
- Taught elementary EFL classes using a set curriculum and individually designed syllabi.
- Managed classroom routines.
- Delivered engaging, structured activities while maintaining classroom control.
- Supported assessment tasks and student progress tracking in coordination with staff
- **Contract ended by mutual agreement.**

Apr 2018 – Apr 2019

- Taught elementary and middle school students in a fast-paced after-school program with a combination of traditional and edutech.
- Increased participation through structured speaking tasks, performance routines, and frequent review.
- Used digital tools to support blended learning and track student progress.

- Curriculum-based lessons across multiple branches (permanent + substitute cover)
 - Built student confidence through structured games, controlled practice, and communicative tasks
 - Created games and speaking activities to reinforce vocabulary and sentence patterns
 - Maintained positive feedback from students and parents
-
