

PROFESSIONAL PROFILE

Motivated EFL teacher applicant with a 120 hour TEFL certificate. Looking for a role teaching young learners between kindergarten and elementary level. Seeking to apply my TEFL training, Korean language background, and leadership experience in a young learner classroom. Uniquely positioned with a strong understanding of Korean language, allowing better understanding of Korean cultural differences when delivering lessons.

EDUCATION

BA Korean | SOAS University of London, United Kingdom | September 2021 - July 2025

- Studied Korean language, culture, society, and intercultural communication.
- Completed degree-level Korean language training in reading, writing, speaking, and listening.
- Korean language level: Upper-intermediate / TOPIK level 6

Exchange Student | Sungkyunkwan University, Seoul, South Korea | August 2023 - July 2024

- Lived and studied in South Korea for one academic year, developing strong cultural awareness and independence.
- Improved Korean language ability through daily communication and academic study.
- Adapted successfully to Korean university life, social expectations, and local learning culture.

Online TEFL Certificate | Tefl.org | 2026

- Covered lesson planning, grammar instruction, classroom management, and communicative teaching methods.
- Developed knowledge of teaching speaking, listening, vocabulary, pronunciation, and grammar to English language learners.
- Completed assignments involving planning lessons with different structures (PPP, skills lessons) and managing classes.

RELEVANT EXPERIENCE

English-Korean Language Exchange Society | SOAS University of London | September 2021 -2023

- Engaged in regular language exchange events with Korean exchange students.
- Gained knowledge and understanding of Korean culture and norms.
- Acquired experience in assisting English learners to improve their fluency and pronunciation practice.
- Developed an interest in learning to teach English and helping learners improve their language skills

WORK EXPERIENCE

Shift Leader | Caffè | October 2025 - Present

- Lead shifts in a busy customer-facing environment, ensuring smooth daily operations and high service standards.
- Train and support new team members by giving clear instructions, demonstrations, and constructive feedback.
- Communicate professionally with customers and colleagues from diverse backgrounds.
- Developed communication, leadership, and organisation skills relevant to classroom management.

KOREA-RELATED EXPERIENCE

- Degree-level knowledge of Korean language, culture, society, and communication styles.
- Lived in South Korea for one academic year and adapted successfully to Korean daily life.
- Able to communicate in Korean with colleagues and adapt quickly to Korean workplace English
- Committed to maintaining an English-focused classroom while understanding Korean learner needs.
