EXPERIENCE

TEFL Instructor, August 2024 – Present

Academy | South Korea

- Teach 35–40 classes per week to kindergarten and elementary students aged 6–12, covering phonics, reading, writing, speaking, listening, and cross-cultural studies.
- Classes are grouped by proficiency level with a maximum of 12 students, allowing for focused attention and personalised support.

Academy, South Korea

student-centred approach that keeps young learners motivated and on track.

- Review monthly test results set by HQ to spot where individual students are struggling and adjust my approach accordingly.
- Write quarterly progress reports for each student, covering growth across reading, writing, speaking, and listening.
- Informally supported new teachers settling into the role by sharing practical classroom tips and strategies.

TEFL Instructor, July 2018 – August 2024

- Taught speaking, debate, and writing to students aged 9–16 who were preparing for Korean high school entrance exams, across 13–20 classes per week.
- Built lesson plans and classroom materials from school-provided textbooks, adapting content to match each student's level and exam focus.
- Tracked student progress through regular observation and monthly testing, writing progress reports shared with school administration.
- Maintained a well-managed classroom across mixed-age groups, keeping lessons productive and students focused.
- Ran bilingual vocabulary tests in English and Korean to reinforce retention and measure progress over time.

Teaching Assistant (Practicum) May 2018 – July 2018

St. James Preparatory School | Johannesburg, South Africa

- Completed 20 hours of supervised classroom practicum as part of TEFL certification, supporting lead teachers with lesson delivery and student activities at the elementary level.
