## WORK EXPERIENCE

### Wells Fargo

Sept. 2021 – March 2024

#### Bilingual Fraud & Tech Ops / Claims Specialist

Charlotte, NC

- Proficient in ServiceNow, Jira, Confluence, and ZenDesk for ticket tracking, issue management, and documentation
- Delivered first-line technical support, efficiently triaging and managing inbound cases via phone, email, and chat to ensure swift resolution of fraud-related issues
- Achieved a First Response Time of under 2.5 hours, successfully closing 10,000+ tickets while maintaining high Customer Satisfaction scores
- Diagnosed and resolved complex technical problems related to claims and account access, leveraging strong analytical skills and troubleshooting methodologies
- Collaborated with cross-functional teams using Slack for real-time communication and coordination, and utilized Confluence for documentation and knowledge sharing to escalate and document product defects, ensuring timely feedback to R&D
- Developed and maintained comprehensive documentation, policies, and procedures for application support, contributing to a robust knowledge management system and enhancing Knowledge Centered Support practices
- Conducted thorough research and analysis of client claims, employing data-driven insights to enhance process efficiency and effectiveness in resolving high-priority issues

### Ann Taylor Corporate

June 2019 - Sept. 2021

#### Bilingual Corporate Call Center Customer Tech Support

Madison, WI

- Managed customer records via complex, API-driven spreadsheets (Excel Online), Google Drive, Gsuite, Box, and various CRM systems
- Escalated issues to Senior Support Manager, documented progress via internal M365, OneDrive, and Microsoft Teams

- Managed customer support tickets in ZenDesk, resolved online order disputes & issues
- Worked between departments and various stakeholders to manage regional retail issues across several brick-and-mortar stores
- Tracked in-store analytics on shipping, fulfillment, and returns to minimize revenue loss
- Point of contact for Q&A, collaborating with the Dev team to troubleshoot website online ordering issues

## **Alliance Française d'Atlanta**

**June 2015 – August 2015**

*Bilingual French/English tutor*

Atlanta, GA

- Knowledge and understanding of target language
- Designed and implemented engaging lesson plans that cater to the diverse learning styles and needs of children, promoting a positive and interactive learning environment.
- Utilized creative teaching methods and multimedia resources to enhance language acquisition and make learning English enjoyable and accessible for young learners.
- Developed and conducted assessments to monitor student progress, providing constructive feedback and adjusting instructional strategies to meet individual student needs.
- Fostered a supportive and inclusive classroom atmosphere that encouraged children to practice speaking, reading, and writing in English with confidence.
- Organized and led extracurricular activities and projects that integrated English language learning with cultural exploration, helping students connect language skills to real-world contexts.
