PROFILE

Having taught in Korea in the past, I understand how to balance providing effective education while keeping the students engaged in learning. I have such a passion for teaching. My goal is to be a support system for each of my students so that they can succeed in growing as people as well as academically. Each student learns in different ways, and I believe each student can be successful in learning by discovering what learning style works for them.

Quick Learner
Problem Solver
Creativity
Adaptability
Organization

EDUCATION HISTORY

Diploma of Interior Design | Jan 2022

The Interior Design Institute

- Floor-plan with AutoCAD
- Mood boards
- Mock client interior design project
- Budgeting

BA in Art Education | Dec 2016

Palm Beach Atlantic University, FL

- Art classes covered a variety of subjects from sketching, painting, photography, stained glass, drawing, design, etc. These classes have given me extensive training in visual art and design.
- Studied art abroad in Italy from Jan-May of 2015.
- Came in third place at a student art show in 2014.

WORK EXPERIENCE

Assistant Manager at Bridal Shop | June 2023 - Aug 9 2025

- Promoted from Bridal Stylist, to Key-holder, to ASM in just over a year.
- Ran content from May 2024 to December 2024
- Consistently got positive reviews

Interior Designer | Feb 2022 - Sep 2022

Marco Home, Marco Island, FL

- Managed the furniture consignment shop 2-3 days a week.
- Individually created designs for multiple clients.
- Created design boards with Canva.
- Made 2D floor plans with AutoCAD.
- Sourced furniture, lighting, and other materials.
- Set up deliveries and installs at both client homes and the consignment shop.
- Met clients for consultations.

English Teacher | Mar 2020 - Dec 2021

ELITE Language Center, Seoul

- Preparation program for Korean college students to study abroad. Partnered with Texas A&M University.
- Was offered to help design and run a new International School and start a new contract, but decided to return to the States.
