Hiring manager,

I am writing to express my interest in obtaining a teaching position at your school. I am a highly professional, friendly, energetic English teacher with experience teaching students of very diverse backgrounds. I have taught students with knowledge ranging from beginner to advanced.

I have completed an accredited on-site, 4 week, 120 hour TEFL program that included 8-10 hours of hands-on experience teaching in classrooms. The program focus consisted of teaching methodology and language awareness. I delivered two full grammar presentations and performed an individual learner case study. Topics of program study included: Vocabulary, Grammar, Phonology, Business English, young learners English, Methodology, authentic materials and course books, EFL testing and other EFL components. I also hold a Bachelor's Degree from UBC. I have been teaching English since my course completion, Feb 5th 2016.

I have spent the past ten years teaching in Prague, China, South Korea, and Canada. In those ten years, I have gained valuable skills and experience that would make me a perfect candidate for any available position.

With my skills, passion, and love for language education, I believe I would be an ideal fit for any school. I would welcome the opportunity to work with you to deliver the highest standards of English language teaching and look forward to being able to discuss the position with you further.

Sincerely,

Jodie Dumas
