TEACHING EXPERIENCE:

Daewon Foreign Language High School – Seoul, South Korea

2019/03 – 2024/07 – English Conversation Teacher

- Managing ten classes of 25-28 students (total of about 250 students), aged 15–16 with varying English proficiency levels.
- Planned and taught four daily English conversation courses covering topics such as consumerism, endangered species, archaeology, deforestation, and various environmental issues.
- Developed reading, writing, speaking, and listening skills through differentiated instruction and multimodal learning materials.
- Created original teaching materials for core and extracurricular activities, adapting content for diverse learning styles and various English proficiency levels.
- Designed, administered, and graded four exams per academic year, assignments and assessments to track student progress.
- Delivered interactive online English lessons and maintained an inclusive, respectful, and productive classroom environment.
- Collaborated with colleagues to develop curriculum materials and share best practices.
- Maintained accurate attendance, grading, and assignment records; optimized instructional time through effective scheduling.

Daewon Foreign Language High School – Seoul, South Korea
2020/03 – 2023/12 – Global Leadership Program Teacher

- Designed and taught four advanced, discussion-based English courses for students aged 15–17 with an average of 15 students per class.
- Developed lessons on intersectionality, marginalized authors, rhetoric, poetry, plays, fiction, and nonfiction works.
- Strengthened students' critical thinking, speaking, and analytical skills through seminar-style and discussion based instruction.
- Designed and delivered online lessons, maintained detailed academic records, and fostered a collaborative, inclusive classroom environment.
