

To Whom It May Concern,

It is my great pleasure to write this letter of recommendation for Ms. Dineho Phathi. She was employed at Neungsu Elementary School as a Native English Teacher from May 1, 2025, to April 30, 2026.

During her time here, Ms. Dineho taught English to all students in grades 3 through 6. Working with such a wide range of age groups, she made exceptional efforts to foster multi-directional communication with her students. She successfully adapted to the varying needs of different grade levels, ensuring that her classes were accessible and engaging for everyone.

Furthermore, she took the lead in planning and organizing our 2025 Summer English Camp. Under her successful leadership, the camp was highly effective and thoroughly enjoyed by the students. She demonstrated excellent organizational skills, great initiative, and a true passion for teaching.

On a personal level, Ms. Dineho has a very gentle and mild-mannered personality. She is incredibly approachable and always greets the students with a friendly demeanor. It was especially impressive to see her constantly taking the initiative to start conversations and engage in small talk with the students outside the classroom. This genuine interest in her students helped them feel much more comfortable and confident in using English.

Ms. Dineho will undoubtedly be a wonderful addition to any educational institution. If you would like to discuss her qualifications further or need more information, please contact me.

Sincerely,

Haneul Kim
