

Carraig Binn, Oldcourt, . Wexford, Ireland, Y34VH02

|

Profile

Enthusiastic and adaptable graduate currently completing a BA (Hons) in Business Marketing at South East Technological University, with a strong interest in international education and cultural exchange. Experienced working with children and young learners through long-term support work in a special education environment.

Patient, communicative, and creative, with experience assisting in classroom activities, supporting learning development, and encouraging student participation. Passionate about helping students build confidence in English communication and eager to begin a teaching career while contributing positively to a school community.
