<i>GPA: 3.55/4.00; MCAT: 517 (95%tile)</i>	
Relay Graduate School of Education, Master of Arts in Teaching (MAT)	Graduated May 2023
Childhood Education (Grades 1-6), Initial Certificate	<i>Current</i>

RELATED EXPERIENCES

Mott	, Classroom Teacher	<i>Aug 2025—Current</i>
• Teach 5th grade students math, ELA, Guided Reading, Writing and small group Intervention instruction. • Create math and ELA lesson plans and student worksheets according to NYSED standards. • Utilize EdTech like Pear Deck Learning, Lexia, IXL, Newsela, NWEA, and Amplify. • Build and foster positive relationships with students, parents, and faculty.		
South Bronx Classical	, Classroom Teacher	<i>June 2021—June 2025</i>
• Taught both whole group classes and small group lessons across a variety of subjects from K-5. • Differentiated instruction for scholars, including those with IEPs, through RTI, small group, and LLI. • Succeeded in advancing 90%+ of my classroom students to reach their F&P end of year N reading level. • Succeeded in advancing 90%+ of my students' Math and ELA scores above 20%ile for promotion. • Analyzed data and trends in past ELA, Math, Science test scores to tailor future teaching methods. • Collaborated in daily morning meetings to review logistics, lesson preparation, and target students. • Provided feedback on instruction and classroom management to new teaching fellows. • Volunteered to facilitate after-school clubs, i.e. tennis club, twice a year to provide additional opportunities for K-2 enrichment.		
Various	, Private Tutor	<i>September 2019—Current</i>
• Tutor elementary, middle, and high school students—in person and remotely—in math, the sciences, standardized test prep (SAT/ACT/ISEE), and academic competitions like the USA Biology Olympiad. • Write and communicate to parents via student progress reports, updates, and logistics after each lesson. • Create detailed answer & explanation sheets for tests including: ACT, PSAT, SAT, SAT subject tests. • Created and coordinated a NY Times STEM Writing Contest program for US and Chinese students. • Instructed high school students in the math and sciences as part of Columbia's DDC program, a not-for-profit which helps low-income, first-generation college-bound students.		
	, Volunteer Classics Teacher	<i>Sept. 2015—May 2018</i>
• Promoted and taught Classics at New York City underserved schools in afterschool clubs and programs for elementary school students. • Developed and customized curricula around engaging, weekly interactive lessons and activities, centered on Latin grammar, vocabulary, and Classical topics set by Pegasus and requested by students. • Researched the advantages of Classics in public education and literacy for Pegasus's home website. • Taught Latin vocabulary, myths, and history according to the <i>Minimus</i> book series to a class of Harlem students at Pegasus's more rigorous five days a week, six hours a day Summer Institute Program.
