Dear Hiring Manager,

I am writing to apply for an English teaching position at your institution. I am a South African educator currently based in South Korea on an , teaching kindergarten and elementary students.

In my current role, I focus on phonics, speaking, and interactive lessons that encourage students to use full sentences and participate confidently. I create engaging, student-centered activities and maintain a positive classroom environment.

I am seeking a new opportunity where I can continue to grow and contribute to your team. As I am already in South Korea, I am available for interviews and can transition smoothly.

Thank you for your time and consideration.

Kind regards,
