

Greetings,

I am writing to express my enthusiasm for the opportunity to teach English this upcoming academic year. With a bachelor's degree in TESOL and certification in Teaching English to Speakers of Other Languages, combined with extensive international teaching experience, I am confident in my ability to make a positive impact on your students.

Throughout my career, I have had the privilege of teaching English in diverse environments, including the USA, the Middle East, and South Korea. Each experience has enriched my teaching practice, allowing me to adapt my methods to suit a wide range of cultural and educational contexts. My time in South Korea has been incredibly rewarding, and I am eager to continue contributing to the development of English language proficiency among students. I have experience in designing and implementing lesson plans that cater to various learning styles and abilities. My approach is student-centered, focusing on creating an engaging and supportive classroom environment where children feel encouraged to participate and learn. I believe that fostering a love for learning English in my students is just as important as teaching the language itself.

Working with children has always been my passion, and I am dedicated to helping them achieve their language goals. My experience has taught me the importance of patience, creativity, and empathy in the classroom. I strive to make each lesson enjoyable and relevant, ensuring that my students not only improve their language skills but also gain confidence in their abilities.

I am particularly excited about the opportunity to teach another year in South Korea because of the country's strong emphasis on education and its dynamic culture. I am keen to bring my experience and enthusiasm to where I can contribute to the growth and success of your English program.

Thank you for considering my application. I look forward to the possibility of discussing how my background, skills, and passion for teaching align with the needs of your school.

Sincerely,

Nicole
