Dear Hiring Manager,

I am writing to express my interest in a full-time teaching position as an English teacher in South Korea. I believe that my background in linguistics, TESOL training, and teaching experience make me a strong candidate for this role.

I recently graduated at California State University, Fullerton with a Bachelor's degree in Linguistics, as well as obtained a TESOL certificate. I also have three years of experience tutoring elementary students. Through this work, I developed the ability to adapt lessons for diverse learning styles, maintain an encouraging class environment, and help little kids express their creative thoughts.

I am especially interested in teaching in Korea because I spent a year studying abroad at the University of Seoul—an experience that strengthened my connection to the culture and solidified my desire to pursue my dream career in Korea. Returning to Seoul to teach would be a meaningful continuation of that journey.

Thank you very much for your time and consideration. I would welcome any opportunity to further discuss how my experience and enthusiasm can contribute to this position.

Sincerely,

Natalie McDaniel
