EXPERIENCE

Photography Project Coordinator, Pensacola Christian College 2021-2024

- Coordinated and managed photography projects for various advertising campaigns, ensuring their successful execution from start to finish.
- Conducted research and stayed updated on the latest photography trends and techniques to bring fresh ideas to the table.
- Managed project timelines, budgets, and resources, ensuring projects were completed within the given constraints.
- Coordinated with external vendors such as photographers and models to secure their involvement and ensure smooth collaborations.

Teacher, Lighthouse International School 2024-2026

- Developed lesson plans tailored to students' needs, implemented worksheets to further assist students' with recalling their lessons.
- Led English conversation debates and speeches to enhance speaking skills and reduce anxiety from public speaking among students from various ages.
- Brainstormed and worked along with fellow teachers to coordinate school events, and played games that increased English speaking and created a friendly and relaxing learning environment
- Wrote and led story day with questions to help students with comprehension and listening skills.
