Swartbooistad, South Africa

EXPERIENCE

Mathibestad Primary School *July 2025 - December 2025*

Education Assistant
Swartbooistad, South Africa

Classroom Instruction Support

- Supported classroom learning by assisting the lead teacher in lesson delivery and preparing instructional materials, contributing to a more organized and engaging learning environment that improved student participation.

Student Literacy Development

- Facilitated the Reading Champion program, enhancing students' English reading fluency and comprehension, poem recitation, and storytelling skills, resulting in noticeable improvements in student confidence and literacy performance

Administrative and Academic Support

- Managed administrative responsibilities including grading, attendance tracking, and classroom organization, ensuring accurate records and smoother daily operations.
- Provided individual support and guidance to learners, addressing learning challenges and fostering a positive and inclusive classroom environment.

Extracurricular Activities

- Coached school netball teams, promoting teamwork, discipline, and student physical development.
