Work experience

SOCIAL PROJECT MANAGER | MARKS AND SPENCER PLC/ITG | NOVEMBER 2025 - PRESENT

- Oversees the end-to-end project management of campaign social media projects.
- Coordinates internal teams (creative, business units and product teams, production, social, design) and external partners to ensure deadlines and deliverables are met.
- Develops and manages project timelines, budgets, and resource allocation.
- Ensures creative consistency and brand alignment across all content.
- Tracks performance metrics, audience engagement and campaign success, providing regular reports and recommendations for optimisation.
- Troubleshoots challenges and proactively proposes solutions to keep the projects on track.
- Serves as the main point of contact for all stakeholders on projects.

DIGITAL PRODUCER | EXPEDIA GROUP | SEPTEMBER 2024 - JUNE 2025

- Managed the end-to-end delivery of digital marketing campaigns for major events such as Black Friday, One Key rewards, Trip Planner and more.
- Ensured all project milestones were met to a high standard and within budget by tracking progress using Gantt charts and budget trackers, which enabled me to identify, resolve and escalate issues.
- Managed reviews and sign offs, ensuring deadlines were met and feedback was clear.
- Created an excellent relationship with internal and external stakeholders across all levels by establishing open and clear communication.
- Was responsible for managing the relationship with the external production and design agencies, driving clarity on briefs, pushing for quality output and timely deliveries.
- Oversaw the project intake and requests process for the Vrbo brand, collaborating with marketing, creative, channel and content teams to ensure correct prioritisation and resource.
- Guaranteed project alignment across multiple teams by using various communication tactics such as catch-up calls and dedicated project slack channels.
- Collaborated with and provided expert support to Project Managers, ensuring prompt delivery of project schedules.

INTEGRATED PROJECT MANAGER | BODEN | NOVEMBER 2023 – SEPTEMBER 2024

- Drove the successful delivery of digital creative assets and Boden's print magazine by leading on the initiation, execution, and closure of each project.
- Ensured projects were completed on time, within budget, and to the highest standards by coordinating efforts across multiple teams.
- Monitored and reported project progress, proactively addressing risks, resource issues, and budget constraints.
- Scheduled creative reviews and other important meetings, ensuring the right attendees were present, meetings ran to scheduled times and detailed notes were distributed.
- Developed and maintained the critical path for each project, ensuring resources, tasks, and dependencies were kept up to date.
- Maintained effective and regular stakeholder communication on each project.
- Managed traffic and brief assignments using Workfront and by managing status update meetings.
- Chaired production stand-ups, supporting producers, design leads and creative directors with shoot and post-production requirements.
- Established an environment where project teams felt motivated, committed, and accountable.

CAREER BREAK | TRAVELLING | MARCH 2023 – AUGUST 2023

TRADE MARKETING DELIVERY MANAGER | ASOS | NOVEMBER 2021 – FEBRUARY 2023

- Was responsible for the delivery of ASOS's multi-channel content, published online, on social media, through CRM, push notifications, affiliates, and paid media.
- Managed campaigns and projects for APAC, EMEA, US, and AU, ensuring they were delivered on time and within budget.
- Oversaw the work of multiple teams, including the web team, editorial, design, social, and CRM.
- Managed projects using Workfront, Trello, and tools such as Gantt charts to manage project timelines, the RACI matrix to manage personnel responsibilities, and RAG reports to identify potential issues and create contingency plans.
- Utilized strong communication skills to update senior stakeholders on project progress.
- Coordinated product imagery from shoots and design assets, ensuring all output aligned with project objectives, brand guidelines, and strategic goals.
- Managed the department's relationship with external stakeholders such as QA teams, localization specialists, and design agencies.

Other experience

- CONTENT SPECIALIST | ASOS | JANUARY 2020 – NOVEMBER 2021
- DIGITAL COMMUNICATIONS EXECUTIVE | WHIZZ-KIDZ | JULY 2019 – NOVEMBER 2019
- DIGITAL SERVICES EXECUTIVE | PRS FOR MUSIC | MAY 2018 – MAY 2019
- DIGITAL ASSISTANT | ROYAL SOCIETY OF ARTS (RSA) | April 2018 – May 2018 (CONTRACT)
- COMMUNICATIONS OFFICER | KING'S COLLEGE LONDON | NOVEMBER 2016 – MARCH 2018

Further education

2021-2022 | CMI| Level 5 Diploma in Leadership and Management (Distinction)

2019 | Hootsuite | Advanced social media strategy

2015-2016 | CIPR | Advanced Certificate in PR
