PROFILE

Enthusiastic and motivated English teacher with strong communication and lesson-planning skills. Experienced in supporting students' reading and writing development through interactive activities and clear explanations. Passionate about creating a warm, supportive classroom and helping learners gain confidence.

EDUCATION

Bachelor of Education

Jan 2021 - Dec 2024

University of Kwazulu Natal, Durban

- I have learned about educational psychology, curriculum development, classroom management, teaching methods, and subject specific content.
- I also gained hands on experience through teaching practice placements in schools, where I observe and teach under the supervision of experienced educators.
