Profile summary

Karl is a dedicated and professional teacher with exceptional classroom management skills and a passion for helping pupils of all abilities realise their potential. He has a calm, patient, and caring persona with a good understanding of child development and an interest in special needs. His experience to date demonstrates an adaptable, resilient and disciplined educator with valuable experience in classroom administration and co-operative learning. What's more, he is well versed in applying various technologies to engage and support face-to-face and remote students.

Key Skills

- **Student Support:** Expertise in delivering tailored support to learners with special needs.
- **Classroom Management:** Proven ability to foster organized, inclusive, and engaging learning environments.
- **Communication & Collaboration:** Adept at working with teachers, students, and families to enhance educational experiences.
- **Lesson Planning:** Experienced in designing creative and appropriate activities.
