SUMMARY

I am dedicated and goal-driven, consistently striving to teach my students to the best of my abilities. I find joy in working with children, and witnessing their understanding and mastery of a new language brings me great happiness. Teaching is truly a passion of mine.

WORK EXPERIENCE

EPIK (English program in South Korea)

Aug 2024 - Present

- Creating engaging lesson plans tailored to their students' proficiency levels. This includes selecting appropriate materials, designing activities, and ensuring lessons are interactive and informative.

Child U (Private English Academy in South Korea)

Aug 2023 - Aug 2024

- Lesson Planning: Designing comprehensive lesson plans that cater to different learning styles and levels of English proficiency.

Slovoville primary school (South Africa)

Feb 2022 - Aug 2023

- I evaluate student progress through assessments, tests, and assignments. They provide feedback and adjust teaching strategies to help students achieve their potential
- I create a supportive learning environment where students feel
