## PROFILE

Highly dedicated teacher committed to achieving optimal results in the four core areas of language learning while embracing each student's strengths and learning styles. With years of hands-on and project-based lesson planning experience, I welcome each new school year with positivity! My goal is to be a teacher who improves the academic and social language their students use from the moment they first enter the classroom while creating fun memories that will last for years to come.

## WORK EXPERIENCE

- Underwriting Service Assistant - Personal Lines Auto**  
*State Farm, Atlanta, Georgia* *May 2024 (Current)*
  - Providing world-class customer service by processing Policy Transactions within 1-3 days
  - Receiving recognition for resolving customer and agent requests with below 3% errors on average
  - Building team collaboration through solving challenging errors and processes while being available through Microsoft Teams and during in-office weeks.
  - Supporting the ongoing needs of the enterprise through Workshare assignments; learning elements of Business Lines and fulfilling change requests in both Personal and Business Lines on a consistent basis.

- Kindergarten Teacher**  
*Maple Bear, South Korea* *January 2021-March 2024*
  - Conducted reading comprehension lessons to improve international school acceptance rates for children transitioning from kindergarten to elementary school.
  - Coordinated theme-based events and activities for parents to witness their children's growth in speaking English.
  - Developed tailored lesson plans and educational materials to cater to diverse learning styles and abilities, ensuring each child received personalized attention and support.
  - Organized portfolios tailored to demonstrate each student's growth in reading and writing, along with their creativity.
  - Demonstrated adaptability in navigating cross-cultural differences, fostering mutual understanding and appreciation within the multicultural classroom setting.
