ENGLISH TEACHING EXPERIENCE

VUS Language Center

July 2025-Present

Ho Chi Minh City, Vietnam

- Delivered interactive English lessons that built students' confidence in speaking, listening, reading, and writing.
- Applied communicative teaching methods to create dynamic, student-centered learning experiences.
- Assessed student performance through quizzes, projects, and oral evaluations to track progress and guide improvement.
- Maintained effective classroom management while fostering an encouraging and inclusive learning environment.

Gulf Coast Charter Academy South

August 2024- July 2025

Naples, Florida

- Instructed third- and fourth-grade students in core subjects using clear, engaging, and structured lesson delivery.
- Administered, proctored, and graded assessments to evaluate student progress and identify learning needs.
- Maintained strong classroom management through positive reinforcement and consistent behavioral expectations.
- Organized and tracked student data to support academic performance and reporting accuracy.
- Collaborated with faculty to align instructional materials and assessment standards with school curriculum goals.

Grace Place for Children and Families

August 2016-May 2020

Naples, FL

- Taught math and science to elementary students, fostering understanding and interest in STEM subjects.
- Supervised and managed classrooms of 23-25 students, ensuring a safe, positive, and engaging learning environment for 3rd and 4th graders.
- Assisted elementary and middle school students with homework and academic support, fostering comprehension and skill development.
- Designed and implemented lesson plans and activities on short notice to promote creativity, learning, and critical thinking.
- Led students on field trips to local educational and recreational sites, ensuring proper supervision and engagement during activities.

RESEARCH

Southeast Asian Flagship Languages Initiative

NAMA Marketing Competition

Jan 2023– May 2023

National Agri-Marketing Association, Gainesville, FL/St. Louis, Missouri

- Developed an original product marketing plan for an agricultural commodity by completing a Market and Competitive Analysis, which allowed us to design a Business Proposition, Action Plan, and Financial Evaluation
- Collaborated with IFAS extension researchers, Department of Agriculture, and farmers to pitch a new agricultural product
- Delivered a 20-minute live pitch for our marketing plan to esteemed judges from the Agri-marketing profession

Southeast Asian Flagship Languages Initiative

May 2024– Aug 2024

Madison, WI

- Completed an intensive Vietnamese language program through the Southeast Asian Flagship Languages Initiative (SEAFLI), dedicating over 35 hours per week to immersive language and cultural study.
- Attended 20 hours of Vietnamese language classes weekly, developing proficiency in speaking, reading, and writing through structured and rigorous instruction
- Developed a language portfolio by documenting and reflecting on language progress and cultural insights, showcasing growth in language acquisition and cultural awareness.
- Collaborated with peers in roundtable discussions and workshops, strengthening cross-cultural communication skills and expanding understanding of Southeast Asian cultural contexts.
