

Diana Adongo

English Language Educator | MA Political Science | TEFL (in progress)

English Language Educator with a Master's degree in Political Science and four years of university-level teaching experience. Skilled at making complex material accessible to diverse learners. Adaptable, cross-culturally aware, and committed to meaningful engagement in the Korean classroom. Currently completing TEFL certification.

TEACHING EXPERIENCE

University of Calgary 2021–2025
Graduate Teaching Assistant — Political Science

- Led weekly tutorials and facilitated structured classroom discussions across four undergraduate courses over four years
- Taught statistics tutorials, translating quantitative concepts into clear, step-by-step instruction for students who found the material challenging
- Provided detailed written and verbal feedback to support individual academic growth and critical thinking
- Held regular office hours to mentor students and address diverse learning needs one-on-one
- Assisted with grading, examination administration, and course coordination

Young Law Chambers 2024–2025
Research & Legal Assistant — Curriculum Designer

- Independently designed and built a full self-paced online course on Alberta family law from inception to completion
- Translated dense legal content into structured, accessible lessons for non-specialist learners
- Applied instructional design principles to ensure clarity, logical pacing, and learner engagement throughout

PROFESSIONAL EXPERIENCE

Janet Soles and Associates 2022–2023
Executive Assistant / Project Coordinator

- Communicated directly with clients on sensitive legal matters, demonstrating professionalism and discretion
- Managed complex scheduling, deadlines, and documentation in a high-pressure legal environment

Young Law Chambers 2020–2021
Legal Assistant

- Supported legal research, document preparation, and client record management
- Handled confidential information with care and maintained organized, accurate case files
