PROFESSIONAL SUMMARY

TEFL-qualified English teacher with over three years of international teaching experience in South Korea, alongside a background in corporate training and learning development. Experienced in delivering structured, communication-focused English instruction across diverse learning environments, including immersive and scenario-based settings. Skilled in lesson planning, student assessment, and adapting content for mixed-ability learners. Particularly interested in teaching Oral English or English for Academic Purposes (EAP) at university level, with a focus on developing students' communicative competence and academic language skills.

KEY SKILLS

- Oral English Instruction & Communicative Language Teaching
- Lesson Planning & Curriculum Adaptation
- Teaching Mixed-Level Learners
- Student Assessment & Progress Monitoring
- Classroom Management
- Instructional Design & Content Development
- Training Facilitation (Adult Learners)
- Interactive & Scenario-Based Learning

TEACHING EXPERIENCE

TEFL Instructor

Busan Global Village, South Korea

July 2024 – December 2025

- Delivered structured English lessons to elementary-level learners in immersive, real-world environments (e.g., banking, travel, and daily communication scenarios)
 - Applied communicative and task-based teaching methods to improve students' speaking confidence and comprehension
 - Adapted lesson content to suit mixed proficiency levels, ensuring inclusive participation
 - Contributed to extracurricular programmes and seasonal English camps
 - Participated in innovative teaching initiatives, including virtual reality-based ESL instruction for community outreach
-

Homeroom Teacher (Kindergarten)

Berkeley Language School, Busan

March 2024 – June 2024

- Delivered structured English instruction in literacy, phonics, and early writing development
 - Developed lesson plans focused on language acquisition through interactive and guided learning
 - Supported students' vocabulary development, sentence formation, and foundational grammar
 - Assessed student progress and adapted teaching strategies accordingly
-

Homeroom Teacher (Kindergarten)

Hillside Collegiate, Daegu

March 2023 – February 2024

- Taught foundational English literacy and phonics to early learners
 - Designed structured, engagement-focused lesson plans to support comprehension and participation
 - Guided students in early writing and sentence construction
 - Contributed to school programmes supporting cultural and activity-based learning
-

Substitute Teacher

Queensburgh High School, South Africa

February 2012 – March 2013

- Taught English Composition and Literature to secondary school students (Grades 8 and 10)
 - Delivered curriculum-aligned lessons and supported students' reading and writing development
 - Monitored student progress and provided feedback to support academic improvement
-
