- English

ABOUT ME

Committed and Adaptable ESL Teacher with nearly two years of experience teaching English in South Korea. Experienced in teaching Kindergarten, Elementary, and Adult learners in private and public community centre settings. Skilled in creating engaging, student-centered lessons through interactive activities such as cooking, games, arts and crafts, and science. Committed to supporting communicative English, cultural exchange, and positive collaboration within the school community.

EXPERIENCE

ESL Teacher

2024
-
Present

Boomily English Academy & Gimcheon Yulgok Learning Centre (02/2025 - 12/2025)

- Taught English to Kindergarten, Elementary, and Adult learners, including phonics, reading, beginner-friendly grammar, and conversational as well as business English classes.
- Designed and conducted activity-based lessons, including English cooking, science experiments, arts and crafts, board games, and interactive learning activities to enhance student engagement.
- Facilitated debate and problem-solving classes to develop critical thinking, communication, and analytical skills.
- Prepared and submitted monthly progress reports to track student development and provide feedback to parents and school staff.
- Adapted lessons to suit diverse learning levels, fostering a supportive, student-centered, and culturally inclusive classroom environment.

Botany tutor and lab assistant

01/2023 - 12/2023

University of Fort Hare

- Conducted and explained laboratory experiments, ensuring students understood objectives, techniques, and safety protocols.
- Evaluated and marked students' experiment reports and results, providing constructive feedback to support learning.
- Prepared and administered tests, quizzes, and tutorials to reinforce theoretical and practical knowledge.
