At this school I obtained hands on teaching experience with children from the ages of 5-7 years old. We engaged in speaking, reading, and writing. Involving subjects which covered art, music, and English. English classes involved a variety of grammar, phonics and sentence construction lessons. We engaged in RAZ reading books. English covered antonyms, synonyms, homophones, adjectives, long and short vowel structures, and embedded a variety of philanthropic lessons to teach the children. At this school I underwent and passed intense teacher training and a

variety of seminars involving teaching English as a Foreign language. This was a further 168 hours of training which I was passed with commendations from the trainer.

Native English Camp

Mar 2022- July 2023

I created my own English teaching platform in 2022 called Native English Camp. I have taught and currently teach children aged 6-12 and adults aged 21- 25. I am proud and excited about the work that I have done with these children, who are being groomed into well-spoken and attentive English speakers. I have received great feedback and recommendations due to my work ethic and dedication.
