WORK HISTORY

- March 2024 - 2025:
- Taught full-immersion English to 5-year-olds in speaking, phonics, and early writing
 - Planned and delivered lessons using engaging, age-appropriate materials
 - Promoted learning through games, crafts, and songs
 - Maintained strong parent communication and monthly progress reports
- March 2025 - 2026:
- Taught the highest-level 7-year-old class using American textbooks
 - Focused on advanced grammar, complex conjunctions, and academic writing
 - Lead full-immersion subject classes including Art, Math, Science, and Drama
 - Prepared students for elementary-level expectations through project-based learning
- March 2026 - Present:
- Differentiate teaching styles to support mixed-ability learners in reading and writing contexts
 - Establish structured classroom routines to build strong working habits at the start of the school year
 - Cooperate with Korean co-teacher to establish consistent classroom expectations and routines
 - Teach a full class of 6-year-olds in immersion and academic subjects
