AYA OKE

ESL TEACHER

PROFESSIONAL SUMMARY

Creative, student-centered educator with 5+ years of experience designing engaging curriculum and instructional materials for diverse learners. Skilled in creating teacher guides, organizing resources, and CEFR-aligned assessments for early, intermediate, and advanced students. Passionate about making English learning more effective, accessible, and enjoyable—especially through project-based and thematic learning.

EXPERIENCE

ESL EDUCATOR & CONTENT CREATOR Freelance | South Korea | Mar. 2025 - Present

- Creating leveled learning materials and thematic content for ESL and bilingual learners, including curriculum mockups, lesson guides, and assessments tailored to student outcomes
- Adapt materials for varying proficiency levels, ensuring lessons remain accessible yet challenging for both early and advanced learners
- Collaborated on curriculum design for a new Korean language series, including workbook mockups and a teacher's guide for science-based ESL instruction

HEAD TEACHER JR English | South Korea | Dec. 2022 - Feb. 2025

- Managed instructional team, ensuring that teachers have all the support needed to provide instruction. As well as assisting in lesson test creation and curriculum development
- Teach phonics, reading, writing, and oral to elementary and middle school students, while recognizing individual and group needs
- Create and implement marketing initiatives for increased enrollment and brand awareness
- Design management/tracking systems to simplify work, to include cataloging 1000+ books in the school library for quick and easy distribution/returns, create a database for shared materials, and quarterly spreadsheets to track productivity

ESL TEACHER CL Center | South Korea | Nov. 2021 - Nov. 2022

- Taught phonics, reading, and writing skills to kindergarten and elementary students
- Prepared lessons plans and created supplemental materials/activities to engage students in the learning process
- Completed quarterly progress reports and attended parent teacher conferences
- Created monthly tests and assessments to track elementary student progress

CASE MANAGER The Next Step PCS | Washington, DC | Feb. 2018 - Nov. 2021

- Managed a caseload of 100+ adult learners from varying cultural, ethnic & socioeconomic backgrounds with academic, behavioral, and community resources
- Assessed and prioritized the needs of individual students and provided them with assistance in applying for employment, higher education, health insurance, legal services, housing, mental health services, etc., by collecting necessary documentation and collaborating with external agencies
- Developed and taught workshops to students about mental health and various social-emotional skills
