

Dear Bridge Recruiting Team,

I am writing to express my interest in teaching opportunities in Korea for the upcoming academic year. I am a certified educator with nearly a decade of international teaching experience , and Europe. My background includes homeroom teaching, English Language Learning (ELL) instruction, and music education, and I have worked in diverse, multilingual school environments. I am passionate about creating structured, engaging classrooms where students feel supported, challenged, and motivated to grow.

Throughout my career, I have served as a homeroom teacher delivering differentiated instruction in core subjects while supporting students' academic, social, and emotional development. I have experience with inquiry-based learning, interdisciplinary unit planning, and scaffolding instruction for English language learners. I prioritize strong classroom management, clear routines, and positive relationships to create an environment where students can thrive. Collaboration with colleagues and families is central to my approach, and I consistently aim to maintain high expectations while fostering student confidence and independence.

I would welcome the opportunity to work with Bridge Recruiting to find a school community where I can contribute meaningfully and continue to grow professionally. Thank you for your time and consideration. I look forward to the possibility of discussing potential opportunities further.

Sincerely,

Ryan Satmary
